

**Welcome to Wiley's Championship BBQ...**

*"One of the 2009 and 2010 'Best of the Best' Barbecue restaurants in the nation according to the National Barbecue News*

- 2010 Connect Savannah::Best BBQ!
- 2010 Savannah Magazine::Best BBQ!
- 2011 Flavor of Georgia Finalist::Pepper Sauce

Eleven years competing, winning and judging on the professional competition BBQ circuit have honed Wiley's barbecue excellence in taste, tenderness and appearance.

As recently as November 2007 we competed in the by-invitation only National Barbecue Festival, placing first in both pork ribs and beef brisket. Those same techniques, including rubs, spices and sauces have produced the food that is on today's menu. Wiley and Janet make sure that every dish coming out of our kitchen is the same championship quality! Because we adhere to these high standards and cook our food fresh for you daily, we sometimes run out certain items....

You, our friends, neighbors and customers are now the judges for whom we cook!
